

MONDAY, JULY 13, 2026

The Jack Hanna Legacy Cup is far more than a day on the greens—it's a premier golfing experience at the renowned Safari Golf Club that combines sport, sustainability, and support for wildlife conservation. As a Certified Audubon Cooperative Sanctuary, Safari Golf Club stands among an elite group of courses worldwide, with less than 2% of Ohio's 910 golf courses and only 2.7% of the 33,000 golf courses globally holding this prestigious designation. This certification reflects the Club's commitment to environmental stewardship, sustainable practices, and the protection of wildlife habitats and natural resources. When you play here, you're not just golfing—you're actively supporting a course that prioritizes the health of the planet.

Sponsoring the Jack Hanna Legacy Cup is more than an investment in a great event—it's a strategic opportunity to align your brand with one of the region's most respected organizations and showcase your commitment to conservation and community impact. Your sponsorship directly benefits the Columbus Zoo and Aquarium's mission: empowering people and saving wildlife. Beyond helping to protect endangered species and their habitats, sponsors enjoy exclusive visibility through event marketing, day-of recognition, and engagement with an audience passionate about making a difference.

Whether your goal is to build meaningful connections, entertain clients, or demonstrate your corporate values, the Jack Hanna Legacy Cup offers the perfect blend of philanthropy, networking, and environmental consciousness. It's an opportunity to make a tangible impact on wildlife conservation while enjoying an unforgettable day at one of Central Ohio's most scenic and impactful golf courses.
