

RUN WILD

PRESENTED BY  OhioHealth

SUNDAY, JULY 12, 2026

Run Wild, presented by OhioHealth, is a 5k run celebrating wildlife conservation! Run Wild supports various conservation projects and initiatives at the Columbus Zoo and Aquarium and the mission of Empowering People. Saving Wildlife.

Runners and walkers will journey around the Zoo, past our pollinator gardens, and finish at Zoombezi Bay where they and their guests will enjoy a private pool party before the park opens. This event allows participants to see the Zoo from a unique vantage point, support conservation initiatives, and gain the numerous health benefits of an active lifestyle.

All sponsorships will include a set number of complimentary race entries, a discount registration code and Zoo or Zoombezi Bay tickets.
