

UNTAMED

AN EVENING FOR CONSERVATION

Untamed is the Columbus Zoo and Aquarium's premier annual fundraising event with spectacular experiences, exclusive tastings, and inspiring wildlife highlights. As a wildlife conservation organization with regional, national, and global impact, the Columbus Zoo and Aquarium annually supports conservation and research projects locally and worldwide.

By supporting Untamed, you are making a positive impact on the 10,000 animals at our Zoo, the over 600 species they represent worldwide, and the future of the natural world. Dress in your "Zoo Formal" attire and join the Columbus community for a one-of-a-kind evening featuring unique opportunities to engage with our mission of empowering people and saving wildlife. Guests will experience animal encounters, delightful cocktails, a sophisticated dinner, and the chance to bid on experiences and trips not found anywhere else!

Sponsoring Untamed showcases your passion for conservation, education, and for our world-renowned Columbus Zoo and Aquarium. Your brand will be featured as a Central Ohio leader among an influential crowd, at an elevated event that energizes the community to advance wildlife conservation.
